

BRAMUCCI CAMPAIGN

Dedicated to Ray and in support of initiatives at Felician that were close to his heart, the Bramucci Campaign will raise fund for three areas. The first is the increase in the Lisa Bramucci Memorial Scholarship Fund to the \$100,000 level, a goal to which Ray always aspired. The second is the ongoing maintenance of the soon-to-be-named "Ray's Place" in Ed Commons, in commemoration of Ray's unique gift of bringing people together. The funds will be used to maintain the technology in the room and develop a multi-media collection of memorabilia from Ray's life as a lasting tribute to him. Lastly, funds raised through this campaign will go to the Bramucci Capital Improvement Fund, which will provide funding for various projects around campus to ensure the continued provision of a quality education to deserving students, a goal Ray worked tirelessly for in his years as an advocate of Felician.
